

Program for the MigrantLife Symposium

Migrant Family, Employment, and Inequalities in the life course

14-15 March 2022

The MigrantLife Research Team invites you to join us for a two-day **virtual** symposium, featuring presentations on a range of topics pertaining to migration such as migrant fertility, employment, and family. We are proud to present Professor Helga de Valk as our keynote speaker, and welcome colleagues in the field, regardless of whether they are presenting or not, to join us for exchanges and discussion. Below please find our program.
